WARRANTY: BUNN High Performance Water Filtration Solutions Systems by BUNN® (excluding water filters and water treatment replacement cartridges) are covered by a limited warranty against defects in material and workmanship for a period of five years after date of purchase, under normal use and service, and when installed in accordance with manufacturer's recommendations outlined in the filtration systems owner's manual. BUNN replaceable elements (water treatment cartridges, filter elements, and feeder elements) are covered by a limited warranty against defects in material and workmanship for a period of one year after date of purchase or the remainder of the original warranty, whichever is longer. See printed warranty for full details. BUNN will provide a copy of the warranty upon request.

BUNN® reserves the right to change specifications and product design without notice. Such revisions do not entitle the buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. For most current specifications and other info visit bunn.com.
